Kathy,
 Well the
 big day has
 finally arrived hasn't
 it? You really been
 having classes with your
 listening to your songs. Best of
 every thing Kathy.

ADMINISTRATION

SUPERINTENDENT

Mr. Harry Thompson's ability has placed him high in the esteem of every student of Gresham High. He is strong and deliberate enough to handle the major problems that our expanding school district places before him, yet considerate enough never to forget those people for whom he is using his talents. Among the memories that every student of Gresham carries with him will be the thought of Mr. Thompson—a sincere, generous, talented school leader.

ASSISTANT SUPERINTENDENT

One of the most important, yet least appreciated, members of the administration is Frank Bartholomew, who assists Mr. Thompson by directing the school's social program, discipline and transportation.

DEAN OF GIRLS

Because Esther Jones, who advises the many activities of Girls' League, is never too busy to lend an understanding ear or to give guidance to the many girls of Gresham, she has become a second mother to many of them.

DEAN OF BOYS

Bernard "Bud" Monnes, who directs the school's athletic program and advises Boys' League, always finds time in his busy schedule to counsel with the boys at Gresham.

In Memoriam

MERLE FRIZZELL

ROBERT POUCHER

Each person who had come to know and love Merle Frizzell and Robert Poucher was greatly shocked and deeply grieved to hear of the deaths of these two fine teachers. Although others are now teaching in their places, no one will ever be able to erase the impression that these men have placed upon the hearts of those with whom they worked.

Mr. Olson

We the Senior Class of 1959, dedicate this Muntinotu to our class advisors, Mrs. West and Mr. Olson, who have devoutly surrendered their services, and knowledge to aid our class throughout its four enduring years. They have patiently worked with us so as we could accomplish our goals for the future. We hope that future classes will be able to have such outstanding advisors.

- I DANIEL BARR will my extensive knowledge of mathematics to Mr. Thede, who must carry on without me.
- I BERKLEY BARKER will the rubber burned off my back tires in the parking lot to Mr. Bartholomew.

SENIOR CLASS HISTORY

The year is now 1955-56 and we may picture ourselves as one of the 422 frosh gazing curiously, as we enter the huge brain factory know as Gresham Union High. We the "baby gophers" are bound for friendships, work, and experiences. Our first step of organization is electing Melvyn Ando, president; Bill Townsend, vice-president; Marty Blain, secretary, and Carl Reams, sergeant-at-arms; under the assistance of Mrs. Elizabeth West and Mr. Charles Olson, our advisors. As we proceed further in the year we find that every student has a part in the Gresham high student body. Freshman Open House, which acquainted parents with the school and freshman teachers, was the first frosh activity. The Frosh Frolic, "Destination Moon," attracted many frosh. Student talent highlighted the party while movies, dancing and refreshments were featured. Another freshman party was held in March. The traditional trophy polishing is accomplished with the help of the appreciative (?) upperclassmen and the year ends with the Freshman Assembly.

As the year 1956-57 begins we find our class greatly decreased to 280, this is the result of the new school, Reynolds. This year's officers were Bill Townsend, president; Terry Pearce, vice-president; Leanne Steele, secretary, and Gary Ihle, sergeant-at-arms. On October 19, we hold our first sophomore party, "Fall Frolics," which consists of mixers followed by refreshments to top the evening off. At the second party, "Spring Fantasy," we witness the coronation of Queen Barbara Foss and King Terry Pearce with Jan McMurry and Barbara DiZio as princesses, and Bob McDowell and Jim West as princes. Jan McMurray is chosen sophomore princess of the football dance. The year was ended by serving at the Junior-Senior Prom and by decorating tediously for Baccalaureate.

The year 1957-58 brings to us the distinction of being upperclassmen. Our class is bigger this year, about 280 students; we need all of them to accomplish the many tasks of our junior year. Leading our class this year are Chuck Peterson, president; Jim West, vice-president; Barbara Foss, secretary, and Don McNeil, sergeant-at-arms. "Satellite Stomp" is the theme of our junior fall dance, which was said to be "out of this world." The party provided elevating entertainment and luscious(?) refreshments. On April 10 and 11 the junior class presents their class play, "The Show-Off," a three-act comedy under the direction of Merle Frizell. The stars are Bob McDowell, Janet Tracy, Linda Bastin, Bill Ralston, Yvonne Clarke, Orval Edwards, Loren Soderberg, Gay McMurray and Jay Lieske. Now comes the greatest fete of the year, the Junior-Senior Prom, "Moonlight Mist," which is under direction of Chuck Peterson, Jay Lieske, and Sonja Olson. This prom required many hours of time, but accomplished a great success by changing fantasy into realism. Barbara Foss was chosen princess of the basketball dance. Altogether this was a very successful year.

The year is now 1958-59, a year always to be remembered, for this is the year of our graduation and we realize our dream and goal of many years of work and study. Our class of about 350 is one whose achievements have helped establish a good name for Gresham High School. It is under the leadership of Terry Pearce, president; Loren Soderberg, vice-president; Ruthie Cissna, secretary, and Bill Carhart, sergeant-at-arms. Our class is honored to graduate in the year of '59, because it is the centennial year. Barbara Foss is selected princess of the football dance. November 20 and 21 brings the senior play, "Arsenic and Old Lace," under the direction of Miss Casterline, has fourteen speaking parts with Janet Tracy, Yvonne Clarke, Linda Bastin, Bob McDowell, and Jim Kittelson as the leads. Now we see ourselves walking down the aisle—this is graduation! We have now completed one more step towards the future and what we do with our lives depends upon us. May we all fulfill our golden dreams and by a successful future make the world better to live in.

MATH

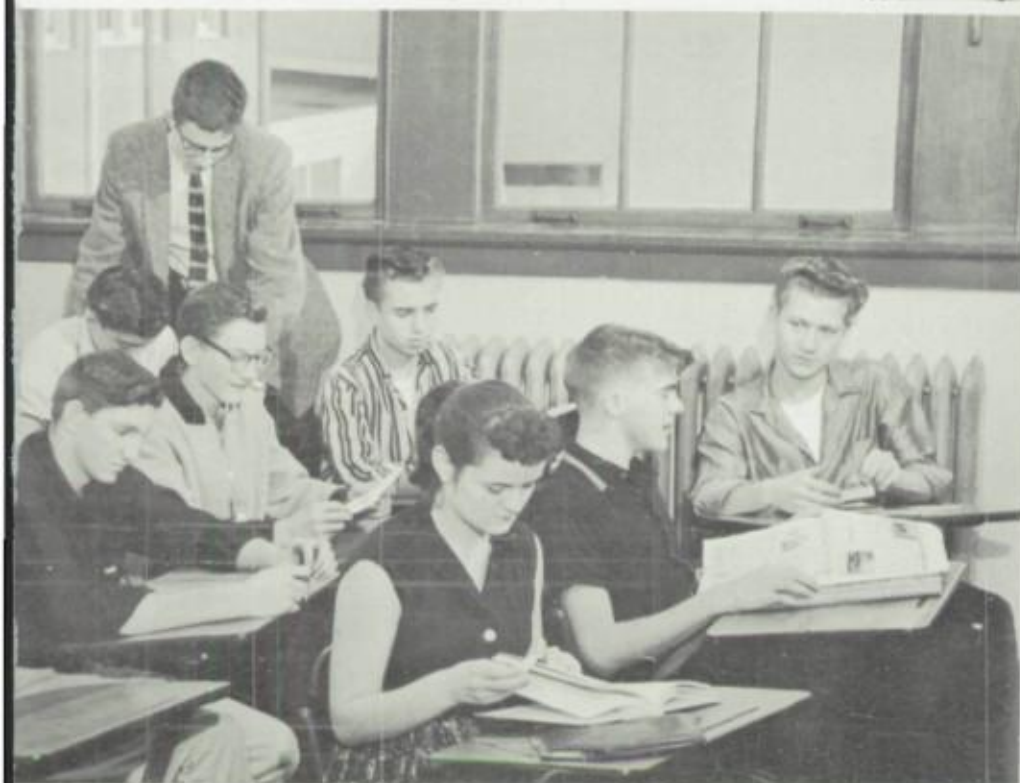

Broken test tubes, worms, and unsolvable problems can be found in the Science and Math departments at Gresham. A four-year major—general science, biology, physics, chemistry, algebra I and II, plane geometry, algebra III and trigonometry, and solid or analytical geometry—is offered.

SCIENCE

Do you want to know what is happening in the world and where? Gresham's Social Studies department will adequately supply this information.

SOCIAL STUDIES

Geography, World History, United States History, and American Problems are the courses which are offered.

ENGLISH

The English and language departments at Gresham offer the student a sound background in English and three foreign languages. A four-year course in English is given each student. A two-year course in French, Spanish, or Latin is offered to students also.

FOREIGN

LANGUAGES

The business courses offered are general business, bookkeeping, business law, typing, and shorthand. Advanced courses are also offered in bookkeeping, typing and shorthand .

BUSINESS EDUCATION

The Commercial department is quite adequate at Gresham. It offers a sound background in business procedures and work to the students.

Broken dishes, sore thumbs, and tangled thread are common sights in the Manual Arts department. Home Economics, with advanced courses in sewing, cooking, interior decorating, and home nursing, appeals to the future housewives of Gresham.

MANUAL ARTS

For those who are adept with their hands, this department offers mechanical drawing, metal shop, wood shop, and crafts.

ADVANCED BAND

The band is a class in instrumental music and also a unit to assist in school activities. In class students read and play a large quantity of music of all types during the year. The students present a concert and many participate in smaller units, such as trios, quartets, and other ensembles.

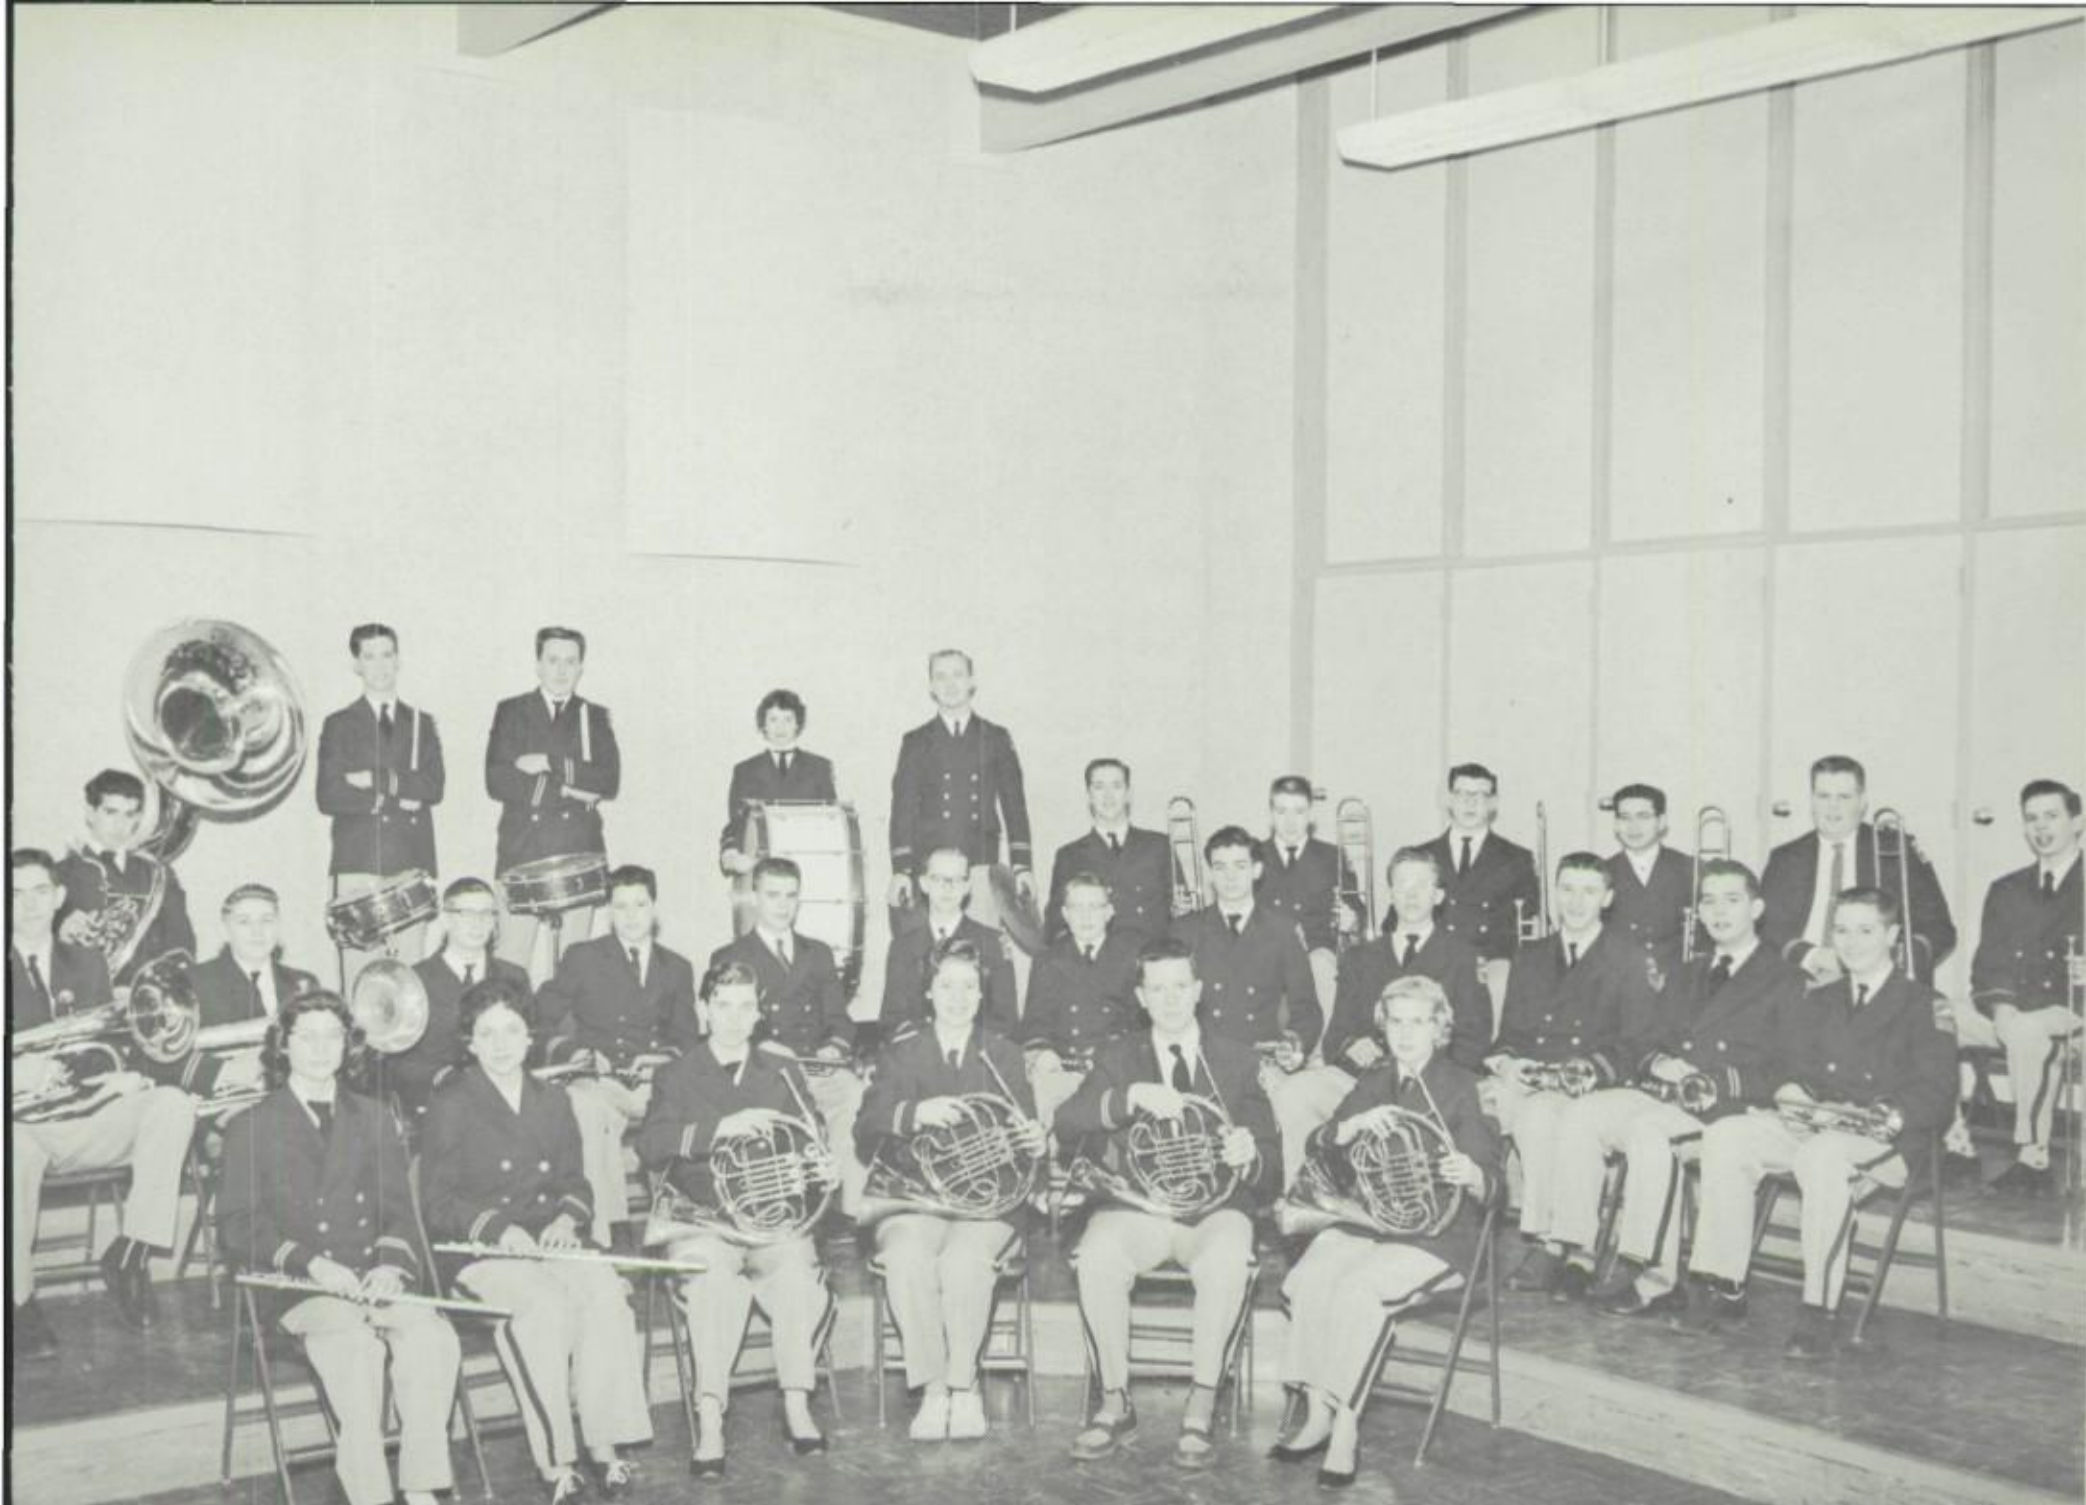

The advanced band also serves as a pep band. They appear at football and basketball games, pep rallies, and many assemblies.

The dance band made several appearances in school activities including assemblies, dances, and concerts.

CHOIR

The choir brought delightful and enjoyable music into various functions, both in the school and community. The public had the opportunity to hear the choir at the Christmas concert and the operetta which was given in the spring. The choir also sang at assemblies and other concerts.

CASUALS

This very popular quartet added much spark to many social gatherings. They made several radio and television appearances and sang at various school and community functions including banquets, assemblies, and dances. To climax a successful year, the Casuals made an appearance at the Civic Auditorium.

Mr. Butzin presenting Mr. Weber with an award for 25 years of service.

The annual winter band concert was presented by the members of Gresham's advanced band on Feb. 4. Included in their selections were two novelty numbers, "The Peanut Vendor," done to a new arrangement by Simons and Morrissey, and "A Visit to Gresham High," written especially for Gresham by Mr. Harold Weber, the director. Jerry Rutherford was featured in a trumpet solo, "Tramp, Tramp, Tramp," written by Goldman. The dance band played "American Patrol," "March of the Slide Trombones," "Marcho Poco," "The Footlifter," and "Zacaticas" were marches played by the band. The highlight of the evening occurred when Mr. Weber was presented with an award for 25 years of service to Gresham High.

COUNCIL

Purpose: To promote an interest in farming among the high school students.

Activities: This year the F.F.A. has done a variety of things to interest the members individually as well as a whole. As co-operative projects the chapter has been raising 15 market hogs at the Multnomah County Farm and purchased 6 tons of barley for use by the members.

Representing our chapter at the national convention in Kansas City were Larry Girton and John Joy. The Gresham Co-op helped pay expenses. At the State Convention John Joy and Charles Altman were delegates.

This year we had a parliamentary team; bowling party with our chapter sweethearts; Halloween party with F.H.A.; joint banquet with F.H.A.; taffy pull with F.H.A.; toured Swift packing plant; had a pig litter contest; judged poultry, dairy and livestock. We showed livestock. We showed livestock at the County and State fair, and made numerous field trips and participated in many other community affairs.

Tony Garrison received the \$100 scholarship from the Hessel Implement Company to purchase sheep for his project.

Dale Rupp was made Chapter Star Farmer and received the top State award in soil and water management.

VARSITY FOOTBALL

SUMMARY

Gresham ended a tension-packed, Cinderella season by tying league leading Astoria and winding up in second place in Metro League standings. The Gophers, tabbed for a so-so season at best, came within seconds and feet of beating three touchdown-favored, fourth ranked Astoria and ended an extremely interesting season with a fine 6-2-1 record.

The Gopher debut was ruined by a Vancouver team that went on to finish a nine-point second stanza, after which the Gopher defense blanked Vancouver.

Things began to look brighter for Gresham after the Gophers romped to an easy 20-0 win over Parkrose. Chuck Peterson scored the season's first TD and Wayne Larson and Dick Johnson crossed the Bronco goal line twice more.

When Gresham journeyed to Beaverton, where resided the team which many forecasters considered to be the state's number one team, not even the most avid Gopher fan dared to bet on a Gresham victory. When the dust had cleared, Chuck Peterson had booted a long field goal and Mike Mills had turned a big Beaverton threat, which would have won the game for the Beavers, into a 90-yard pass-interception TD, the Gopher fans returned home with state playoff dreams and a 22-14 victory.

Clackamas was the next Gopher victim. The Gophers rolled to an easy 12-0 victory after the Cavaliers held Gresham scoreless in the first half.

David Douglas hit the overconfident Gophers with an upset nearly as big as our own victory over Beaverton, 7-6. It was the first and last Metro League defeat for Gresham and certainly a bitter pill to swallow.

Gresham returned to its winning ways the next Friday against Hillsboro with an easy 13-0 win. The Gophs. moved the ball at will and a tight defense threw the Spartans back time and time again throughout the game.

Arch rival Central Catholic proved to be an easy mark for the onmarching Gophers as the hapless Rams fell 29-7. Quarterback Mike Mills heaved two touchdown passes to Wayne Larson and scored another himself in this wide open contest.

Milwaukie and the mud teamed up to nearly upset a favored Gopher 11, but lots of luck and an impatient clock gave the Gophers a squeaky 7-6 win. Chuck Peterson's 59-yard first period sprint to the 'Stang one set up the winning score.

The Astoria game was the season's crucial, if the Gophers had won, they would have tied with Astoria, but gone to state anyway, according to league decision. After Astoria built up a 12-0 halftime lead, Gresham pushed over a third period TD to close the gap to 12-6. With four minutes to go in the last stanza and the ball resting on the Gresham 20 the Gophers seemed headed for defeat. However, after a crucial first down by Mills, a 15-yard unnecessary roughness penalty against Astoria, and several huge gains by Pete, the Gophers found themselves deep within Fisherman territory. A pass from Mills to Larson tied the score and set up Peterson's kick which would have made it but for a strong wind which blew it down. In one second a puff of wind gave Astoria a tie, the Metro League title, and a berth in the state playoffs.

SUMMARY

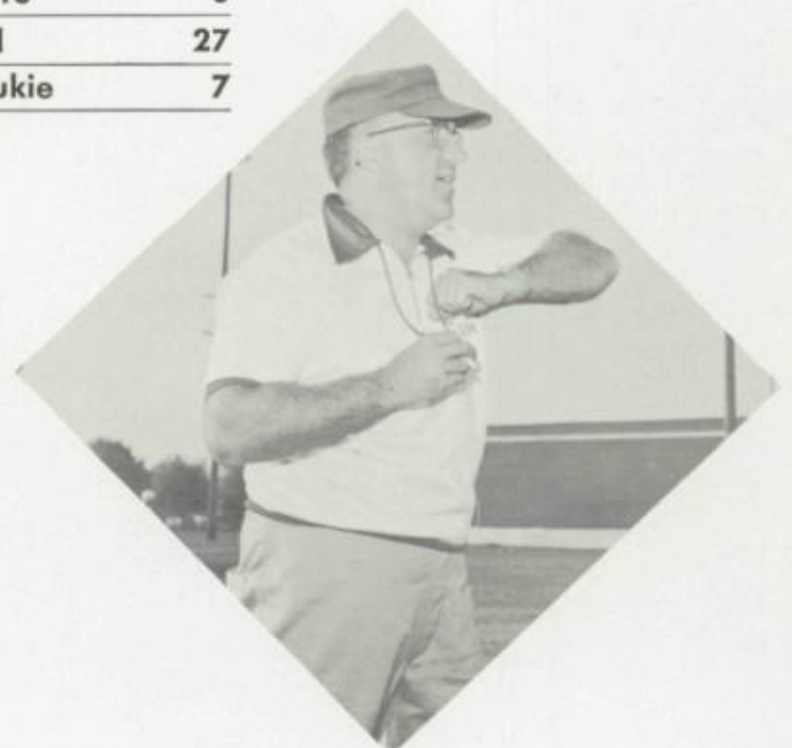

The jayvee squad enjoyed a highly successful season, winning five and losing only three games. The Gophers nearly doubled the combined point total of their opponents, scoring 130 while limiting opponents to 68 points. Next year's varsity can look forward to adding a number of speedy halfbacks plus several sturdy linemen to its roster from the jayvees.

SUMMARY

An unheralded sophomore, Dave Sternberg, led a young Gopher cross country team to its best record in years. Little Sternberg dueled with Senior captain Neldon Dickey in every meet, except perhaps the state meet and grabbed first place in four out of the seven races in which he competed.

Twice during the season Dave and Neldon came down the stretch neck and neck and only Sternberg's last-minute kick pushed him to victory. In two other meets Dave and Neldon finished first and third, one of these being in the district meet in which Sternberg set a new record of 8:53.4.

In the tough Willamette Valley Cross country meet, Sternberg slipped and fell midway through the race but came back strong enough to finish fourth in a field of over 100 runners. Neldon was sixth in the State meet. Dave again showed champion form by finishing fourth in a field of over 200 runners. Dickey, too, showed creditably, finishing 14th in his last race.

But, certainly it was a team effort that enabled the harriers to compile their fine record. With only seniors Dave Smith, number six man, and Dickey, number two, graduating, the young harriers look forward to another successful season in 1959.

VARSITY BASKETBALL

Coach Hersey

Summary

In what varsity coach Cal Hersey termed "a building year," a young, inexperienced group of individuals molded themselves into a hustling, efficient, point-producing basketball machine, which ran with the best of them. Despite a discouraging year, at least record-wise, league coaches predict that this same Gopher team will be the quintet to beat next year. Only two seniors will graduate from this young team, and Coach Hersey will have back eight returning lettermen, an ineligible first-line guard in Ron Sweeney, and four varsity reserves who didn't letter.

Looking at the Gopher losses, one can readily see why the record doesn't always tell the story. Some Gophers dropped two squeakers to Beaverton, second place team in the Metro league, by a total of eight points. In the first game Jiggs Burnett won the game with a 12-foot jump shot at the buzzer. In the second game against David Douglas, Metro's third place team, the Gophers lost a wild fray by one point in overtime. In the second games with both Central and Milwaukie, the Gophers lost by a scant two points.

Individually, five Gophers scored more than 100 points for the year. Mike Mills put on a spurt in the last few games to edge captain Steve Burkett in total points 256, to Steve's 244. Bob Longanecker, ineligible the first half of the season, led the team average-wise, with 12.63 points per game. Bob also nabbed more rebounds, 121, and tied for third in scoring with Miles King. Both scored 139.

In both the rebound and field goal percentages, an inaccurate score book left the issue in doubt. Steve Burkett shot .422 from the field against Longanecker's .415, but the total number of shots taken by Burkett in the first two games were not available. Longanecker's lead in rebounds must be questioned also, since Mike's rebounds from the first three games were not available. Mills had 115 rebounds to Longanecker's 121.

Steve Burkett had a substantial lead in free throws, 76 of 123 attempts, but Steve took a second to Miles King's shooting percentage of .667 to Burkett's .618. Steve also had the dubious honor of collecting the most fouls, 88, which is an even four per game. King and Mills were second and third with 76 and 72, respectively.

Mills, who finished his second year as a starting forward, took the honors for total field goals and field shots. He has 104 of 297 attempts. Mills was right behind Longanecker in points per game with 12.1.

Al Thede's scrappy Jayvees finished strongly, splitting their last six games against tough competition, to close out their season with a 7-15 record. While playing taller and more experienced teams, the little Gophers improved with every game. Slender Jim Hendricks led the jayvees in every scoring department except free throw accuracy where dead eye Doug Manley excelled easily, hitting at a mighty 73.5% clip, good shooting on any team. Hendricks finished with 187 points, an 8.85 average. He also had the most field goals, 70, and the most free throws, 47. John Brinser, perhaps the teams' most improved player, was hitting at a steady 10-12 point clip at the season's end after a slow start. Brinser was right behind Hendricks with 150 points.

The freshmen, under the tutoring of coach Doug Vickery, ended their season with an 8-10 record. This record takes on a different appearance when one notices that seven of the ten losses were by three points or less. The baby Gophers had several outstanding performers who should add much to the successes of future Gresham teams. Among those hoopsters were big Tommy Owens, who led the team in points, 186, in free throws, 46, in free throw accuracy, 58.2%, and in points per game with 10.03 and Bill Bayley, who threw in the most field shots, 73 and was second to Owens in scoring with 168 points. Joining Owens and Bayley in the 100-point club were little Richard Szymczak with 127 points and the little Goph's big center, Dwayne Staples with 120 points.

The Gopher grapplers enjoyed another highly successful season while compiling a 9-2-1 record. The wrestlers finished behind Douglas in district and ended up sixth in state.

Perhaps the one highlight of the season was the crowning of cham Dick Barrett, victor over all comers in the 130-pound division. Seniors, Les Brown, 148-pound team captain, and Mike Holmes, slender 98-pound grappler, finished third in their respective divisions. Junior Ron Moore, 146 pounds, took a fourth in his division. Len Pettyjohn and Steve Armstrong, district champs in the respective weight classes, also made the trip but didn't place.

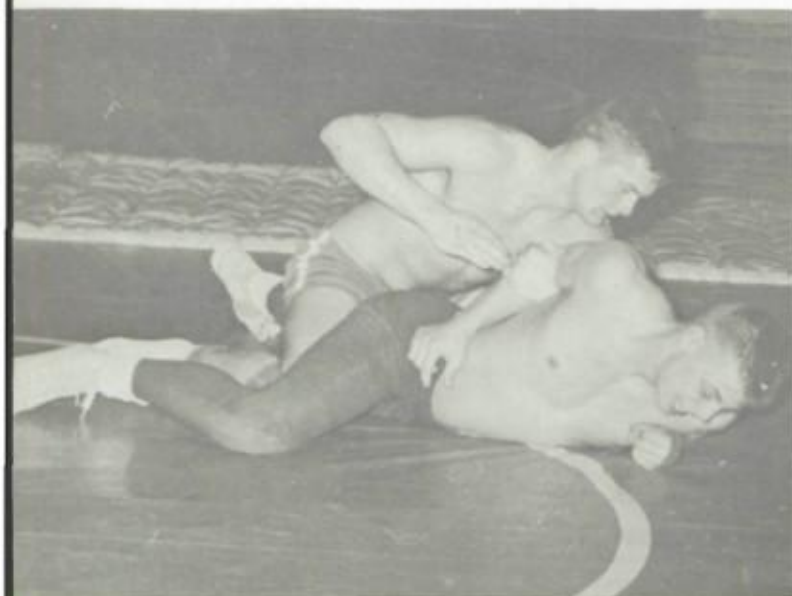

The Bill Smethurst grapplers enjoyed two wins over Franklin and a victory over a tough Jefferson aggregate. The team was loaded with talented underclassmen this year and looks forward to an even more successful season next year.

AUTOGRAPHS

Kathy,

Best of luck in the future. I hope that all your
hopes and dreams of a successful life will all
come true. It's been fun knowing you in and
during the last two years. I wish you all the
luck with Danny and the rest of your friends.
Seriously, I do hope that you and the one you
would like to be yours the best of luck.
Be good and play it cool. Don't forget Buck
and I - I know I can't. Also that if you
do make a success in your singing career
that I'm suppose to go traveling with you -
Remember - Will kid, I'll close for now and
will probably see you this summer.

Love & Stuff

Sharon Hufay

I.D. Don't forget to let the
people know about the fun
all the fun I've had with you. Oh yes
there is one more thing about
I hope.
